

GINGER & SMART

16th December 2019

To Whom It May Concern,

I am pleased to confirm that Jessica Evans has completed an internship at ARG GINGER & SMART from Tuesday 24th September 2019 to Thursday 12th December 2019.

Jessica's role within the company was to assist in several areas including design, production and dispatch. During this period, Jessica showed the ability to be punctual, hardworking, and reliable. She demonstrated skills in hand-sewing, sample cutting and pattern tracing. When assigned a task she always followed through until completion and to the highest standard. She worked closely with the design team in creating technical illustrations, rendering illustrations with seasonal prints and updating design boards and overviews. Jessica also helped complete tasks such as inventory/stocktake, compiling fabric bibles, quality control as well backstage/general assistance at fashion events. She demonstrates valuable communication skills and a strong attention to detail.

As a result, Jessica became an invaluable intern at ARG Ginger& Smart. Her positive attitude was reflected in the quality of her work, dedication to the brand and well-groomed appearance. Without a doubt Jessica is a quick learner and has a strong potential to work within the fashion industry. We will miss her dearly and wish her all the best in her studies and her future endeavours.

Kind Regards,
